WEST POINT RICE MILLS
This Establishment is now ready to receive orders for Rice to be cleaned and weighed, and to be packed in any quantity. Ship Bids in any quantities. A new very powerful huller has been expressed for the Mills, and large coals added to the Machinery which is now in perfect operation. The new machinery will be effected enabling the establishment to guarantee the cleaning of Rice in a manner required either by any other Mills or by the tedious hand-labour of the Rice millers. The new machinery will be effected in the working day and if good time is required it can be obtained. The rice is made of granite and are, large, all

Terms can be ascertained on application underwriter at the Mills where orders received. Persons wishing to attend will be seated on the stage and will be carefully and promptly executed.
